I am enclosing the photocopies that you have requested. Thanks for the two dollars and S.A.S.E.

Since you know Augustine Cook's Civil War regiment and company, you may write the National Archives to obtain a copy of his military and pension records. Get a National Archives form at your local library. There is a fee and waiting period for this service.

Dear Mr. Lewis

Thank you very much for your letter concerning Augustine Cook. I have been having a difficult time finding information about him. Enclosed is a check for $2.00 to cover the cost of the photocopies you mentioned.

I think the reason I have been having trouble with Augustine Cook and his wife, Nancy Ferguson, is because in the time frame I am working, 1850-1870, there were two Augustine Cooks, both with wives named Nancy, and both living in Jackson Twp, Greene County. I am not sure if there is a relationship.

The Augustine Cook who is my great-grandfather, appears in the 1870 census of Greene County, page 34. His age at the time is 37, so he would have been born about 1833. The other Augustine Cook appears in the 1850 census. I believe he was born about 1802. To the best of my knowledge, my great-grandfather had nine children, several were born in the 1870's, so I am sure at the time the 1880 census was taken he had children under the age of 10. My grandfather, Thomas Jefferson Cook, was born on 31 Dec. 1872.

I think the reason he does not appear in the 1880 census is because some of the family moved to Oklahoma prior to 1880 to live with his wife's relatives (Ferguson).

I will write to the Linton Public Library, thank you for the suggestion. And thanks again for the information you have already given me.

Sincerely,
Dan Cook

The Vigo County Historical Society forwarded your letter of May 9 to the library.

I am enclosing a research report listing the sources we checked for your ancestors. We did find the date of Charles and Emma Cook's marriage and the newspaper account of it. We also have the actual marriage licenses on microfilm.

We found the dates of Henry's and Elizabeth's deaths and the newspaper obituaries. We found a William Cook who died in 1917 but none who died before 1909. If you knew the first names of the McElvaines we might be able to find them in the cemetery records or the death records.

If you would like copies of any of the items on the research report, our charge is 10¢ per page, plus postage. Three long prints, at 15¢ each, are needed to copy the marriage license supplements.

Dear Sirs:

I am trying to research my maternal grandfather's family who lived in Terre Haute, IN. in the 1800's.

Vol 4 p 93

My grandfather is Gilbert Raymond Cook, born in Terre Haute in 1897. I am looking for information regarding his parents:

Charles Lawrence Cook
and Emma Elizabeth Cook (Cook was also her maiden name)

Charles and Emma were married in Terre Haute in a double wedding sometime between 1890 and 1895. I think the other couple may have ~~may~~ have had the name Gifford. Is it possible that you could locate for me the newspaper coverage of this wedding in the Terre Haute newspaper? My grandfather, who

→

is 91 now, tells me that it was a big event and was in the paper.

If you cannot assist me, can you direct me to someone who may be able to?

Thank you,

Teresa Janssen

P.S. In addition I wonder if you can give me information about obtaining obituary notices in Terre Haute papers concerning the deaths of my great great-grandparents (I believe all died after 1909.):

1) Elizabeth (Libby) E. Burns Cook (maiden name) (siblings were: William, Harriet, Jennie)

2) and her husband Henry Cook.

and

3) Willie Cook (died before 1909) father of Charles Lawrence Cook

4) Mrs. ___ McElvaine Cook Baldwin (mother of 3)
(maiden) (1st married) (2nd married)

5) Mr. and Mrs. McElvaine (grandparents of Charles Lawrence Cook)
(died after 1909)

The copies you requested are enclosed. We only have an index to the death records, not the actual records. The original death certificates are on file in the Vigo County Health Dept., 201 Cherry St., Terre Haute IN 47807.

I checked the WPA index to Vigo county marriages from 1840 to 1920 but couldn't find any Cook who married a McElvaine or a Baldwin or any Baldwin who married a Cook. I only found one McElvaine, Wm. B. who married Mary Fisher in 1874. I also found a couple McElvens (Elsie and Frank). Perhaps that was a misspelling of McElvaine. I did find a William S. B. Cook who married a Mary Isabel or Isbel. There are still Isbells listed in the Terre Haute telephone directory. I wonder if your Mary's surname was really Isbell instead of McElvaine. If she married again it may have been in another county. I didn't find a Mary McElvaine, Mary Cook, or Mary Baldwin in the WPA index to Vigo county death records from 1882 to 1920.

The postage and copies did not come to $4.00. I am sending a dollar back.

Dear Ms. Sherrill,

Thank you for your response regarding marriage records and obituaries of my ancestors. I just sent a request to you asking for copies of the microfilmed marriage certificates of these people also. I would also like copies of the newspaper obits. and marriage articles you found (marked in yellow marker).

Could you search for a marriage record for William Cook + Mary Isabel McElvaine (parents of Charles Lawrence Cook)? Sept 4, 1871

Sept 4 1871 Vol 5 p 550

I know for a fact that Gilbert R. Cook, Charles L. Cook, & Emma E. Cook all died in the state of Washington.

Could you check to see if there is a death obit. for Charles L. mother, who was →

Mary Isabel McElvaine Cook Baldwin
(maiden name) (1st married name) (2nd married name)

I enclosed $2 for copying with my request for marriage cert. copies. Enclosed is an additional $2. Please let me know if I will still owe you after copies of these records are obtained.

Thank you for your time and attention.

Teresa H. Janssen

P.S. My grandfather (son of Emma E. & Charles L. Cook) is now 92. He will be so happy to learn of all this information! I will be forwarding it to him.

THE BIOGRAPHICAL RECORD 1903

PAST AND PRESENT OF VERMILION COUNTY, ILLINOIS

ENOS COOK

No state can boast a more heroic band of pioneers thean Illinois in their intelligence, capability and genius.. They ranked with the pioneers of the East and their hardships, privations and earnest labors have resulted in establishing one of the foremost commonwealths of America, the possibilities of which are greater than any of those possessed by her sister states. Among the early settlers of Vermilion County was Enos Cook, who for thirty five years maintained his residentce here, dying September 11, 1877. He was born in Union County, Indiana, November 14, 1817, and came of Quaker ancestry.

The ancestral line can be traced back to Peter Cook a native of Chestershire, England, who started for America in 1713 and died on the voyage. The next in direct line was Peter Cook, Jr., who was the father of Thomas Cook. The latter was born in Chestershire, England in 1704, a son of Peter and Elinor (Norman) Cook, who settled in Pennsylvania in 1713 and in Chester County, that state.

Thomas Cook wedded Mary Undersood.. In 1742 they removed to Warrington, York County, Pennsylvania where Thomas Cook died between 1749 and 1752. His son Isaac was the great grandfather of our subject. He was probably born in

JOSEPH B. COOK

This well to do and erterprising citizen, still on the sunny side of forty owns and operates a well regulated farm on Section 13, in Elwood Township, of which he is a native and where he has thus far spent his life. He was orphaned by the death of his parents when he was quite young, and is thus not as familiar with the history of his progenitors as he would desire. Nature endowed him with those qualities of character by which he has been enabled to attain to a worthy manhood and secure the respect and confidence of all who knew him.

Our subject was born September 29, 1851, and is the son of J. Riley Cook, who was born in this county. The paternal grandfather, Zimri Cook was one of the pioneers in Central Illinois, and here spent his last days. J. Riley Cook departed this life when Joseph B., our subject, was a lad of five years. The mother of the lad had died when he was an infant. He was then taken into the home of his uncle, Joshua Thornton, the husband of his mother's sister and Mr. Thornton Died when young Cook was a lad of fifteen years.

Our subject, after the death of his uncle, Thornton, began working for himself and afterward, desirous of adding to his store of knowledge attended Bloomingdale Academy, under the instruction of Professor Hobbs in 1870-71.

1743 as the records show that he died at Ceaser's Creek, Ohio in 1820 at the age of seventy seven years. His wife was Charity Cook, a gifted woman among the Quakers. She was the daughter of John and Rachel (Wells) Wright. Her son Thomas Cook was born in South Carolina, January 3, 1770 and was married September 5, 1792, to Keziah Henderson. Emigrating westward in 1824, Thomas Cook took up his abode in Vermilion County, Illinois, where he resided until his death. He was a leading member of the Society of Friends and was noted for his many social and Christian virtues. His son Zimri Cook, the father of our subject was also a native of South Carolina and in youth became a resident of Ohio. While in Ohio he married Elizabeth Thornton, by whom he had six children, Enos, Henderson, Evarts, Thomas, Joshua and Ellen, (Mrs. Arthur Jackson).

Enos married July 3, 1839, in Henry County, Indiana to Melinda, daughter of Robert Harris. They had three children, Benjamin, Sylvester and Emma.

In 1875 & 1876 he attended Vermilion Grove Academy and afterward turned his attention to farming. He is the owner of 51 good acres of good land and has charge of forty more belonging to his mother-in-law. He was married April 5, 1883 to Miss Sicily E., daughter of David and Miriam (Mills) Haworth, the former deceased and the latter living in Elwood township. John Mills, the maternal grandfather of Mrs. Cook, was a native of North Carolina and removed to Ross Creek, East Tennessee prior to the War of 1812. There his daughter, Miriam was born January 12, 1809 and came with her parents to this county in 1822, arriving here the day she was thirteen years old.

The Mills family settled in the northwest corner of Section 23, Range 12, Township 17, Elwood Township, after a journey attended with many difficulties. There were various swamps along the route, and when four or five miles south of Quaker Point the teams were unable to proceed. Miriam with two of her sisters, together with Ann Haworth and Nancy Biggs, all young girls left the wagons and walked to the Point, while the teams and the men, women and children were left to follow as best they could. They reached Jonathan Haworth's about dark. He was located near Quaker Point, just across the State line, in this county In due dime the travelers extricated themselves and proceeded on their journey.

John Mills settled among the Indians and wild animals,

and entered four and one-fourth sections of land, where he put up a round log cabin with a puncheon floor, a huge fireplace in one end of the room, with a stick and clay chimney outside and a clapboard roof. The nearest trading post was Terre Haute and the family went to mill on Sugar Creek, in Parke County, Indiana with ox-teams.

The death of Hannah Mills was the first which occurred in the township. She died in the summer of 1823 and her remains were the first to be buried in what is now Vermilion Grove Cemetery.

The first wedding in Elwood Township was that of Andrew Wagerman and Tabitha Lyons. There came with the family of John Mills, Mr. James Haworth and his family, to whose son David A., Miss Miriam was married and became the mother of eleven children.

These all lived to mature years and were named respectively, Willison, Clayborne, Maria (now deceased) James W., Elvin, John (deceased), Mary J., Beriah, Horace, Sicily and Linley. Mr. Haworth died about fifteen years ago; Mrs. Haworth makes her home with her children and is remarkably active and healthy for one of her years. She has been a life-long member of the Society of Friends to which Mr. Cook and, our subject, and his wife also belong.

THE FAMILY NEWS.

VOLUME 1. NORFOLK, VA., NOVEMBER, 1903. NUMBER 1.

Published by ALLEN M. COOK, 96 Boush st., Norfolk, Va.

OBJECT.—The diffusion of News concerning Relations and Kinsfolk among ourselves.

SUBSCRIPTION, FIFTY CENTS PER ANNUM.

IT is hoped that it will be possible to send this paper as second class mail matter. But, on account of the rules of the Post Office Department, this cannot be done at present. As a consequence, I am at an expense of one or two cents for each copy I send out, besides the cost of printing. This will prevent a large circulation unless subscriptions come in.

In order that the paper may be sent as second class mail matter, it will be necessary to have about 200 subscriptions. This would not be enough to pay the expense of printing, but would make the expense small enough to justify the continuance of the paper.

I have now on the mailing list about 950 names, each representing a head of a family, and all descended from Peter Cooke. Many of these families have married children of whom I do not know the address.

As a Special Inducement, and in order to enlarge the paid circulation, where there are married children in a family, or where a child wishes to subscribe for the parent, and where these subscriptions come in together and before January 1st, next, additional subscriptions (after the first one) will be accepted for only 25 cents. Thus: If there are six children, and one parent, the paper will be sent to all for only $2.00.

I would like to send out a paper without any advertisements—if the subscriptions will cover the cost. I do not feel like spending twenty to twenty-five dollars each month to send out the paper, however, and trust that others will feel inclined to help by subscribing.

TO OUR FRIENDS.

THE publication of this paper is undertaken for the object set forth in our headlines. But another purpose, and the one which makes it necessary, is the fact that the correspondence connected with the collection of material for the History of the Cook Family is getting so large that it is impossible for me to properly answer every letter in the limited time available for that purpose. It is hoped that those who hear from me through this means will excuse a personal letter, and that they will continue, as in the past, to furnish me all the information in their power.

The publication of a paper, such as this, is a difficult undertaking, and it will be impossible to do the work without assistance and co-operation on the part of others. In the first place, it will be necessary to have financial aid, and it is hoped that those who feel able to do so will send a contribution toward paying the expense of having the printing done. It will require, at least, 300 paid subscriptions to pay the actual expenses. In addition to this we should be furnished with current news of the family; every birth and death should be announced, every marriage recorded, and when older people die we should have a little sketch of their lives.

OUR OBJECT

will be to keep distant relatives acquainted with each other, and keep up an interest in strictly family affairs.

If any of our cousins are elected to the State Legislature, if any of them are recorded ministers, or if they are married, it is hoped that this paper will be notified, so that the news can be sent to all who are interested in just these things.

With this object in view, it is earnestly hoped that we will be notified, in some way, of all such things. A postal with a notice of birth, death, or marriage, a newspaper (marked) with a funeral notice, marriage, or other item which would interest any of your near relatives, will be appreciated not only by the editor, but fully as much or more so by your

friends and relations who will thus get the news.

ALL THOSE WHO RECEIVE this issue, with few exceptions, are descendants of Peter Cooke, an account of whom is published elsewhere in this paper.

If there is any doubt in your own mind, as to this fact, and you are curious enough to ask, I will be very glad to inform you of the exact relationship.

It is hoped that, in the course of time, we will be able to publish an outline of all these descendants of Peter Cook down to his great grand children, but it cannot be done all at once in a small paper like this. It will require time.

I will be particularly glad to have the address of anyone who would like to have this paper, and it will be sent on request, whether paid for or not, but as the expense is quite heavy for one person it is hoped that those interested in receiving it will send in the regular subscription price. If more subscriptions are received than enough to pay expenses, a notice will be published and an account rendered.

* Those marked * in list of children are carried forward with their proper number, and more information will be fonnd concerning them.

Dates are generally given as taken from records, especially the older ones, and no attempt is made to correct old style dates In using numerals for months, the month is always given before the day.

The system of numbers is unusual, but simple. They depend upon the generation, and the order of birth in the family. Thus: Peter, son of Peter and Elinor (Norman) Cook, was the 3rd child, so his number becomes 3. His fifth child was Samuel, who, therefore, is assigned 35 as his number, etc., until we come to Allen M. Cook, whose number is 358461, being the oldest child in the family of No. 35846, and being in the seventh generation. In another, and more common method, the information contained in the number 358461 would be conveyed in this manner: Allen M.[7] (Peter[1], Peter[2], Samuel[3], William[4], Allen[5], Henry C.[6]).

We publish below a note of Peter Cooke, who was the ancestor of one of the very largest families in the United States. It is particularly large because there were no less than four sons who have each left large families. Besides these, two daughters were married, and although we know nothing of Elinor, we do know that Mary had a family.

It is intended, in subsequent issues, to publish outlines and notes about the various branches of the family.

PETER COOKE, of Tarvin, Cheshire, England, "and Elinor Norman of Kingsley in ye sd County Spinster having declared their intentions of marriage before severall publick meetings of the People of God called Quakers in the afored County" were married 10 mo. "(called December)" 7, 1695, "in their Publick Meeting Place at Newton in the afores'd County of Ches'r."[1] Among the thirty-two witnesses to this marriage was John Cooke.

The minutes of Frandly Monthly Meeting, Cheshire, show that, 1 mo. 3, 1713, "Peter Cooke having proposed his intentions of removing himself & ffamily to Pennsylvania & ffriends consenting thereto * * desire friends of ffrandly meeting to draw & sign them a certificate if need require before the next meeting" The next meeting was held 1 mo. 31, 1713. but there is no further mention of the certificate, although it must have been signed about this time. The records of this meeting show that Peter Cooke was a very poor man, and he was given some assistance to make the journey to Pennsylvania with his large family. They must have embarked very near this time, for we find in the burial records of Philadelphia M. M., the following entry, dated 5 mo, 25, 1713: "Samuel Cook, son of —— Cook who dyed at sea & Elinor his wife." From this entry we learn the approximate date of arrival, the fact that they arrived at Philadelphia, and the fact that Peter Cooke left England, but that he died at sea.

At a meeting of the Commissioners of Property, at Philadelphia, "7th 8ber, 1713," there was "Granted to Elinor Cook, a poor widow, lately arrived from England," 100 acres of land in Chester Co.[2] At Chester M. M., held at Providence (now Delaware Co., Pa.), 1 mo. 29, 1714, the widow, Elinor Cook, produced a "certificate from frandly months meeting in ould England." She was married again in that year to John Fincher, a widower, with several children. He was the son of Francis and Mary Fincher, Friends, who came to Philadelphia in 1683. This marriage was authorized by Chester M M, 6 mo 30, 1714, and a committee was "appointed to See that the Estate of the Said Elinor Cooks Children be secured to them before marriage" 7, 27, 17'4, the marriage was reported accomplished, and the "Children's portions are Secured" They lived in Unchlan township till the spring of 1716, when they moved to London Grove, in Chester Co, Pa., and settled on a tract of 300 acres of land which was deeded to John Fincher, 13th and 14th of March, 1722, by Tobias Collett & Co. John and Elinor were both active members of Friends Meeting. They removed their certificates of membership to Newark M. M in 1716, and in 1718 when New Garden M. M., (Chester Co, Pa.,) was established they became members of that meeting. Elinor had no children by

her second husband. The last mention of her is found in 1726, and the date of her death is not known.

Peter and Elinor (Norman) Cook had the following children:

* I. John, b. 7 mo. 2, 1796, at Tarvin.

* II. Mary, b 9 mo 12, 1798, at Tarvin; d. 11 mo. 9, 1700, at Northwich, and is buried at Newton.

*III. Peter, b. 10 mo. 4, 1700, at Northwich.

*IV. Isaac, b. 10, 18, 1702.

* V Thomas, b. 8, 29, 1704, at Northwich.

VI. Abraham, b 8, 29, 1704, at Northwich; died 9, 14, 1.04, and is buried at Newton.

VII Elinor, b 3, 22, 1707; she was disowned by Friends. It is believed that she was m. in 1731, at Wilmington, Del, to Thomas Grindall. Nothing further has been learned about her.

VIII Mary, b. 3, 22, 1709; m 1730, to Thomas Cox. It is known that, after moving several times in Pennsylvania, this family went to Carolina, and we have many disconnected notes about the family, but nothing in shape for publication. We hope, at some future time, to take up the study of the Cox family, and will hope for help with it.

IX. Samuel, b. 2, 23, 1712, at Northwich; d. at Philadelphia, and was buried there.

Of the four sons of Peter who left children, John and Peter remained in Pennsylvania, and many of their descendants are still to be found in Chester, Lancaster, York and Adams Counties, besides many scattered in other western counties. But many of them are now scattered over the Western States, some even do not know that their ancestors came from Pennsylvania, being able to go no further back than to the early settlement of Ohio.

Thomas and Isaac both raised families, and while their children were yet young and attached to the parental home they moved to the Carolinas, where the children were married, and from where most of the descendants moved to the present States of Ohio and Indiana, in the early years of the last century. There are yet a few in North Carolina but, so far as I have been able to learn, none are left in South Carolina.

These various branches will be taken up in turn, and I hope that all who are interested in their own ancestry will keep a look-out for the time when they may add something to our store of family lore.

Dr. J. C. Lewis, of Indianapolis, Ind., is collecting genealogical information which includes some descendants of the Cook family. He is publishing a little paper, from which the following is taken:

"We wish to receive for publication obituaries, biographies and genealogies of persons by any of the following names who have died within the last century, viz.: Furnas, Morris, Lewis, Cook, Wright, Cox and Bishop. Please give date and place of birth, marriage and death. What extent of education, what church or religion, what kind of trade, profession or business and what the politics; and, briefly, other items of interest. Please write only on one side of the paper."

Of these, besides Cook, I am very considerably interested in the Furnas, Morris, Lewis and Cox families.

IT is quite probable that many of my old correspondents know very little about me, and that those to become acquainted with me in future would like to know something of my history.

Child:

Allen Blow, b. Dec. 25, 1899.

Often persons are not able to trace ancestry back, and if you do not know your connection to the Cook family I hope you will send me an account of your own family and names of your parents, and I will gladly give you information required.

All those who receive this paper are decendants of Peter and Elinor Cook.

Any who have not yet sent in the account of themselves will be doing me a favor if they will send it without further delay.

Those who sent in accounts some years ago will, no doubt, be able to add a record of what has transpired since then, and I will be very glad to have it, as well any future events as they happen.

A NUMBER of re-unions have been held, composed entirely of descendents of this Cook family. One is held each year, near Richmond, Ind. This one is composed largely of descendants of Thomas Cook, (No. 58), and still only a few of his descendants probably ever heard of it. W. D. Cook, Centerville, Ind., is President, and L. O. Morris is Secretary.

The last meeting was held Sept. 5, 1903, and was very well attended.

Another is held each year near Earlham, Iowa. The fourth of such re-unions was held Aug. 21, 1903. It is called the Wilson Re-Union. All these Wilsons are descendants of Dinah Cook (No. 42) who married, 1759, to John Wilson. A committee was appointed to assist Allen M. Cook in looking up the genealogy of the family. This committee is:

Mrs. Wm. McKibben, Earlham, Iowa.

Mr. T. J. Wilson, 323 Illinois street, Lawrence, Kansas.

Mrs. Barnett Wilson, Earlham, Iowa.

Mrs. Milton Wilson, 146 Park Lane, Des Moines, Iowa.

It is hoped that those interested in this subject will use the paper to publish anything of general interest, or as a means of sending circular letters, and with this purpose, I will be glad to have addresses of relatives to whom the paper will be sent on request.

1513.

I am in receipt of an interesting letter from Mrs. Caroline M. Baker (No. 1513112) of Spiceland, Ind., concerning the family of her father, Robert H. Cook, b. 11, 10, 1840, son of Thomas C. Cook, and grandson of Ellis Cook (who is No. 1513). He is an engineer, and is now located at St. Louis, Mo.

Ellis had a family of twelve children, and we have very little information about them. It is hoped that more will come in.

A sketch of Jeremiah Cook, father of Ellis, will be printed soon.

I trust she will send in more information. Has Robert H. Cook any grandchildren? If so, I would like to have a full record.

587.

Bertha Andrews, dau. of Milton and Sarah J. Hadley, and her husband, are missionaries in Mexico. We would like to hear from them. What is their address?

3560.

Milton Griffith, b. 4, 18, 1811, m. Eleanor ———. She d. Jan. 25, 1859, in Lynn Co., Iowa, at which time they were members of Chesterfield Mo. Mtg., Morgan Co., Iowa (or Ohio). Where are descendants? Did they live in Ohio or Iowa?

479.

Ruth Cook, dau. of Amos and Elizabeth Cook, m. Seth Cook (No. 4311), who was her first cousin once removed.

Sylvester Cook, a descendant, of Cox's Mills, Wayne Co., Ind., is collecting an account of their descendants. He deserves the help of all.

Is anything known of the brothers and sisters of Seth? They lived in South Carolina and moved to Ohio about 100 years ago, and we have lost trace of them.

Two college presidents belong to the Cook family. Lewis L. Hobbs (No. 51389) is president of Guilford College, N. C., and Joseph J. Mills (No. 42803) is president of Earlham College, at Richmond, Ind. Both these colleges are under the direction of Friends.

The Bayou Serpent Oil and Mineral Company has been formed with the following officers: A. L. Barnett (4281411) president, and E. E. Barnett (4281413) secretary-treasurer. The head offices are at Lake Charles, La., and the company is developing a tract of land owned by the Barnetts.

John R. Cook (428112), formerly of Hugoton and Liberal, Kansas, has moved to Lake Charles, La., where he is largely interested in the new oil fields near that place.

It is expected that everyone who receives this paper with the form enclosed will fill it out and return as soon as practicable.

In case there are married children, or if you can get information of any kind, additional blanks will be furnished upon application, for recording same.

It is hoped that interest will increase, and to such an extent that we may soon have our records practically complete and ready for publication in book form.

We are glad to have an account of James Cook (No. 1574), sent by Alice M. Cook, of Chatham, Pa.

Wilton Cook lives at Glen Wilton, Va., where his father, David S., owns an iron mine and furnace. David S. Cook still resides at Wrightsville, Pa.

COOK FAMILY NEWS.

VOLUME 1. NORFOLK, VA., JANUARY, 1904. NUMBER 2.

Published by ALLEN M. COOK, 96 Boush Street, Norfolk, Va.

GOOD-BYE.

IN the first number of this paper I introduced myself to those I could reach, but find, that in the second issue, I must say good-bye.

I have received, up to December 21, just 17 subscriptions to THE FAMILY NEWS. These will be returned and the paper discontinued. I hope none will think that I have failed in appreciation of any efforts to help me, for such is not the case. Those who have helped should understand that their assistance is not only appreciated, but that they are doing something which, but for them, would never be done.

I wish it to be distinctly understood that, although the paper is suspended, I shall go ahead trying to collect information wherever it may be found, and I hope more members of the family will become interested.

In another column will be found a list of questions which it is desired should be answered fully concerning every member of the family who is married. It is specially desirable to know something of those who come into the family by marriage, and for this reason we want parents and place of residence of those who become members of the family in that way.

It is peculiarly a fact that we generally desire information concerning those of whom we know nothing--not even a postoffice address. We have many branches to the family tree, and when one is lost it is hard to find again. It requires co-operation, and I hope that many more will join their efforts to complete the records. It is only by co-operation that we may hope for success.

I earnestly hope that those who hear from me in future will realize that it requires a vast amount of effort on my part to do this work, that I am not only doing it without obtaining any return, but that the expense to me is very considerable. It is on account of expense that I am stopping the paper. I had hoped that I would have enough subscribers to be able to send the paper as second-class mail, which would be very much cheaper than one cent each, but this would require several hundred subscriptions. I want to ask that those who may have felt inclined to subscribe, will devote their energy to getting others interested in this matter.

Although the paper will not be published I trust that every one will send to me news of the family, such as marriages, births, deaths, changes of residence and postoffice addresses; in fact, anything that may be of interest. When you write to your relatives mention my work and ask them to help by sending in a record of their families. Maybe they would prefer sending it to you. If so I hope to be able to have the results just the same.

It is now fully eight years since I began this task, and during much of the same period my cousin, Albert Cook Myers, has also been devoting his spare time to the same purpose. It is to Albert Cook Myers that we are indebted for all the information we have from the early records of Friends in Pennsylvania.

He has devoted many months to searching old meeting records, old court records, deeds, wills, etc., and we should all thank him for doing this hard work for us. He devoted one summer to work in York Co., another in Adams Co., and others in Chester Co., besides extensive researches in Philadelphia and other places.

There are also many interesting facts concerning those who are gone in the records of meetings in North Carolina, South Carolina, Ohio and Indiana, and there are now members of the family going to meeting in the same houses of worship where some of their ancestors sat at the head of the meeting for many years.

Will not some member of the family in each monthly meeting volunteer to look over the records of their own meeting for us, especially those meetings which go back farther than our own knowledge? If any one will attempt to help in this way I will do what I can by giving, so far as able, an account of those known to have lived near or to have been members of that meeting.

I would like to have copies of all old wills, marriage certificates, records from the old bibles, etc. Each of these is valuable from my point of view.

At different times various people have written what could be remembered concerning the family. I know of several such papers which would be very interesting, but so far have never been able to induce the owner to send me a copy. I am still hoping for the time to come when I may have a copy of these old records. If any originals of old records of that character are sent to me I will use every precaution and effort to copy them soon and to return them in the very best order possible.

In our last issue we gave a full account on Peter Cook, and names of his children.

When there are more than nine children in a family, as often happens among the Cooks, the system of numbers requires a little further explanation:

The tenth, eleventh, twelfth children are numbered 10, 11, 12, in the list of family. when they are spoken of as individuals the last figure in the number of the tenth child is 0, of the eleventh is A, of the twelfth is B, etc. Thus a number might be 35A200.

If any know their own number they can tell at a glance the exact relationship between themselves and any one whose number is given. Thus: the persons indicated by 358461 and 358462 are brothers, while each is a second cousin to No. 358537. The numbers being identical for three digits indicates that for three generations from Peter they were the same; No. 358 was William Cook, great grandson of Peter.

Miss Rula Barbee
Indiana State Teachers College
Terre Haute, Indiana

Dear Miss Barbee: Through my son-in-law R.B.Thornberger I learned your interest in Cooke genealogy. My fathers sister married a Jame s H. Cooke, son of Rev. Henry Cooke an Englishman who came to America about 1850, a young married man, whose childrens births traced his ministry thru N.Y. Pa. andOhio. None of the three mentioned by R.B. are in this line altho the family onve lived in Cincinnati. My cousin living near me in Southern Ohio gave me some addresses that I enclose. She says Rev. Clarke Oursler and his sister Dr. Anna Oursler live near each other in Stillwater but she does not have Dr. Anna's add. but her brother would give or send her any inquireies he could not answer. She like your self teaches in a State college. The Miss Eaton is the Cooke family historian. Her family has only been in America 2 generations. She says Cooke and Churchill names are liked.

R.B. tells me you have Ewing lines that may be of our Thomas Ewing of Greenwich, N.J. line, whose grandson Abner Ewing Sr. 1756-1846 came to Adams Co., in 1807. My father was John H. son of Abner Jr. all three buried in Sandy Springs, Adams Co., O.

After living in Columbus, O., 43 years my husband and I came back to Adams Co., and built our retirement home. We live in Bonita Springs, Fla., from Nov. to April. I am sorry I could not be in Cincinnati when you come there at Christmas. My greatest pleasure is hunting down these clews.

I am most sincerly

Dear Miss Barbee:
You poor child you do have a problem, so lets try and see if we can just get a toehold.

Just to see what you could be up against; Lets pretend that Henry Thompson Cook came to Tenn. in 1778 and settled in Washington, County, moved to Sullivan County in 1779, moved to Hawkins County in 1786, to Grainger County in 1796 and finally to Claiborne County in 1801, How far would he have traveled..not one inch.

First of all lets examine the records of Tenn. that were microfilmed by the Genealogical Society of Utah, they are to quote Mr. Dan. M.. Robinson who in 1942 exclaimed(with appropriate gestures)"--------You will probably find there the most complete Tennessee records available in any one place---"(unquote).

Second get out your scissors and start clipping obits and 50th weddings from your local fish wrappers(obits of citizens over 50 years preffered).

Third fill out to the best of your ability the enclosed yellow sheet.

Fourth send Obits 50th brannigans and the yellow sheet together with a nice letter giving basic information as you sent me a sae plus a few loose stamps if you can spare them to

Dear Miss Barbee:

Your letter to Dad Cook came to us and I have been very slow about answering it. Dad Cook passed away a year ago last October and Aunt Anna should have known as Hazel has written to her.

I am sorry that we can't supply you with the information you ask about. Dad Cook probably dould have told you a lot as he loved to tell the stories of his childrhood.

I am the iwfe of you cousin Floyd. Dad Cook's other children that live her in Osawatomie are Hazel Kendall, Ollie Poyner and Carl and Clarence Cook. All are married, Dad had four other sons by a former marriage.

Don't you have another Aunt living in Ill.., close to Mattoon? Maybe she could answer you questions.

Sincerely yours,
Dove Cook.

My dear girl:

It is with regret that I can't give you any more help than I have. I was quite small when Helen was married. I heard the folks talk about her coming home when Will was a baby. My mother died when I was 2 years old. They tell me I was born in 1868 in Cumberland County. They might have lived there when she married your grandfather, if so write Toledo, Illinois for information. If I can help any more let me know. We don't know what became of our family records. They were not in the family bible. My stepmother didn't seem to know. She told me I could have the bible but I didn't seem to know. She told me I could have the bible but I didn't want it. She thought maybe sister Olive got them. Brother Henry wrote me before he died to know about them, Olive married a man in Mattoon by the name of Cap Cox. I think he is dead. Elva or Etta might know something about that.

Aunt May

Dear Miss Barbee:

In the Hartford Times July 17, 1954-your query B-6732 (2) interested me as I have an Elliott line from North Carolina to New Castle, Ind. My line is as follows:

Abraham Elliott	1780-1848	m. Jean Alexander 1782-1833
Judge Jehu T Elliott	1813-1876	m. Hannah S. Branson
E. Josephine Elliott	1838-1912	m. John Thornburgh

I have never been able to find the ancestry of either Abraham Elliott or of his wife Jane or Jean Alexander. They were both born in Randolph Co., N.C., married there and their two oldest children born there. I have the names of 2 brothers and a sister of Abraham Elliott-Samuel 1783 - Elizabeth 1786 and a step brother Hiram? Hiram Elliott came to Indiana with brother Samuel but soon returned to North Carolina & died there-I have census records for him up to 1830 or 40 in N.C. I can give you marriages etc., of Samuel & Elizabeth (married William Bundy in N.C. and moved to New Castle, Indiana) with her brother Abraham Elliott. When I saw your address I wondered if you "Mary Jane Elliott" was of the above Elliott line-If so perhaps you can give me the ancestry of Abraham Elliott & Jean (Alexander) Elliott-I have complete data of Abraham down to myself. If I can help you I will be happy to send further items.

Sincerely

Dear Miss Barbee:
I do not have data on your searches or I would be happy to contribute answers that you seek, thro Hartford Times, (July 17---B-6732)

I have N.J. searches, thro' Noe and thro' McCulley) Ruckman. Mary Thorp Tapp(i)n
e
a
born 1778 in N.J. (Woodbridge, possibly?) was marr. Sept. 15, 1799 to Robert Noe, of there; his parents may have been Daniel (4?) Noe, and the latter's 2nd (?) wife, Susanne Diepree (believed marr. about 1770 to 72??) Marsh was (already) a given name in that Noe group. Austin, Clark, Smith, Hampton, Lackey were other Noe given names. My branch left N.J. 1822 for Ohio, (present Morrow Co.)

Some Noes were in or nr-Morristown, Tenn., others in Fayette Co., Ky., might have had (lost) Randel Noe surmised by some to have been originally of N.J., (to Md. or Va.?)

Beebe was a New Eng. (&upstate N.Y.) name. Once lived at Greene, Chevango Co., N.Y. (at least one branch did)

Dr. Wm. Beebe (of Amer. Museum of Natural History N.Y. C) is the husband of the novelist calling herself Elswyth Thane (her name may have been Ricker? from Iowa??) He is Ph.D. & sensitively wishful to always be called "Doctor", I understand; he is elderly, I think, his wife considerably younger; I think he was aging before married. Maybe he would write to you, if you write an appealing letter (admiring their distinguished reputations?)

Elliott in Iowa is connected with my Johnson kin.
King (Thomas, Sr. and Jr.) had a Spanish strain? in a line 19th cent. "Md. to S.W. Ind." prob. in Petersburg, Pike Co., Ind., late 19th cent., (connecting with Butler My nephews wife seeks this data, also Wyatt and Co(o)nrad of that county; she was Pearl Ireta Conrad, from Petersburg, m (1) to ----Troye, (2) to Roy P. Johnson (of our Stevens-Johnson branch.)

An optician(?) in Dixon, Ill., is Dr. McNickle. It is not far from Pontiac. I am from Oregon, Ill., also near there.)

Have Mills cousins near Ames Ia., the Misses Sadie & Marie, bro. Harry. In N.J.?) Mills or Miles was associated with Weed(a Conn. name) also with (Allen) Ruckman, I've been told.-They desc. from our Dailey family. Walling might? have clues on Dailey(or on English allied)

I have contributed queries for many years to Hartford Times, signed "MNJB" (Lately, they have changed my signature to "B.B." in a few instances)

Cumberland Co., N.J., id near searches of my late husband's sister-in-law; some there included Burt and Smith, maybe Robbins; Richman of Pittsgrove twp., Salem, Co., N.J., and allied names (Swanson) Matson, (Sawtells) Elwell, (Dare) Mulford; Howell of Fairfield, Cumberland Co., & its connections Sayer and Diament, also Shaw(Abiel, 3d husband of Abigail Dare-Buck, desc. of Preston) She also had Pa. Irish names (O'Hagan) O' Conway, (Frassey) Archer.

My Johns(t)on line (Scotch or Scotch-Irish?) went to Va. by 1783 from Md., and are mentioned in Oren F. Morton's Hist. of Highland Co., Va.(1911) a book which mentions several early Cunninghams (John, James, Wm., Agnes---and Robert who may have been parents of Catherine who m. 1799 Aquila Roby, widower of Margaret Meeker. My g.g.-aunt (b. 1767? Md.??) Rebecca Johnson marr. Patrick (M) Roby a bro. of Aquila.(Crigler and Ward also had Cunningham marriages.) Donaldson may have had a marr. to Almira Roby (perhaps dau. of Patrick & Rebecca (J) R.??) Patrick is believed to have served in the Revolution in or from Loudon Co., Va., (Many Robeys are of so. Md.)

I knew a Miss Elizabeth Cunningham in D.C. in 1918-but nothing about her family, (of Ny.C.?); tho I met her elderly mother then.)

There used to be a Barbee Millinery Shop in NyC.

Clues on the Petersburg, Ind., or Pike Co., historians addresses, would be helpful for Mrs. Roy Johnson, in case you know any, without research. Ross and Fletcher were Conrad given names, I don't know why.

Sincerely yours
Mildred Noe Johnson Bryan

Hello Rula:

This is my first letter written in '72. I would have answered your letter sooner, but tho't you were coming over during the holidays. Bruce & Elma Bryant were here yesterday P.M.-and Elma said I believe she is waiting for you to write-They are anxious to meet you and if you can come we'll have a get-te-gether.

Ted had hardening of the arteries and bad circulation from a coronary in '69. He had on Nov. 3, a prostate operation followed by infection-a blood clot in his lung-also pneumonia and passed away, Nov. 21-due to several things -the funeral was Nov. 23. We had lived the past two years in a small house next door to our son Dick & family. Dick-a city mail carrier has been ill & almost crippled since May with rheumatoid arthritis. He is now for 3 wks able to work inside of P.O. So you see, I have had many worries-but I stay alone and keep busy and am thankful for so many things I have. Just talked to my oldest grandson who is co-owner & manager of WRM M Radieo station in Elgin(our daughter Kathryn Jaked's son-Rick- He has 2 girls and another expected in June (hopefully a boy) He and his wife leave for 10 days in Jamacia this Thurs. They-Ken & May have another son-Marty married who is a college teacher in Olney. Dick's & Rhea's oldest ~~dau~~ daughter Robin Damron has 2 little girls and lives near Robinson. Susan-2nd daughter-gradutaes as RN from Jewish hospital-St Louis next Sunday. we all plan to go for the services-Then she will be surgical nurse here in St. Anthonys Hospital. 3rd daughter is Jane 16 a junior in H.S. 4th daughter-Laurie Jo-12 is in grade school and Di Dicks boy-he waited 20 yrs for is Didkie 8. So you see I am not lonesome as all are good as gold to me.

We never knew of your illness last year-Do you still care for hour mother in your home? Give her my re

give her my regards. I do hope you can come over. It is time -we become better acquainted.

Your cousin-Joan

Dec. 14, 1975

Dear Rula;
It was so nice to hear from you again, and I do wish you could stay in your own home. I'm sure you wish so too-but when you caN't you have to make other plans. YoU will be very busy this year getting ready to go to the church home and I don't envy you the job of getting your house in order, (so to speak). I had to do it for my eldest brother who is 89 & is now in a nursing home at Altamont. At least if you can do the job yourself & it is all your belongings. No one can question your right to do as you so please with them.

This past year has not been the nicest for us, but we are ending it with pretty good health and have quite a lot to be thankful for. We are expecting our first great granchild in May of '76.

I haven't worked much this year on any family genealogy. Did you ever find out where your granmother Helen actullly went to when they left here & took her brother "Mack"? O wpi;d ;ole tp lmpw- what became of him & also the details on that Missouri Farm. Myrtle Cook said her father had just before they came back to Ill.

Take good care of yourself & if you are passing through stop by awhile.

Sincerely
Elma Bryant

Effingham, Ill

Dear Rula;

Just a few lines to tell you again how pleased we were to see you and you friend. I wish you could have stayed longer-thenwe could have talked about our Cooks more. After you left it dawned on me weakly really did not talk much genealogy at all, but I was in a slight fog-due to the news of the death of my nephew that morning. He was 48 and when a preschooler used to stay at our home when his mother was having a new baby. He leaves 5 children and the 2 youngest are girls age 4 & 10.

You must come back again and stay longer. I still want to know what became of the young brother "Mack" who went with your grandma Helen and also news on the Family of the Brother Thomas Jr. & where in Missouri that farm the Thomas Cook had when Thomas Jr. was born-and nefer went back to, was located. Joan said Thomas lived in Texas-but I've never found out where and Texas id such a big state to look in for a person.

I take a genealogy magazine devoted entirely to people named Cook but thus far I've never found anything in it about ours except w what I have passed on to its editor in the hope of finding out something. I also have snapshot ot fthe graves in Zion Hill Cemetery near Paradise, Ill. of George Anna Cook Hart & Vance and the church -and I did get a newspaper copy of the obituary of Henry Cook-but I think I sent you a copy of that-didnt I?

Must close-but please do come back & see us-and if Joan is still "speaking" to us maybe we can get together with her & Ollie.

Sincerely

Elma Bryant.

Dear Rula:

Thank you for remembering us this Xmas. I think about you often and wonder how you are getting along and if you are still doing Cook genealogy and if you have learned anything new about the family.

I seem to be behind in all of it. The past year I have tried work-on my early McCoy and Magers (Majors, early sp.) ancestors and I am finding even way back in the 1700's there we re an awful lot of McGoys around and most of them had 8-15 children plus 2 sometimes 3 wives-even the ones I know couldn't possibly beoof my line. I enjoy them all tho'-especially the ones involved in the Hatfield-McCoy feud.

Are you still living in your own home? I thought you were going into a Methodist Home last year. Hope your legs are as good as new soon & that you don't have anymore accidents.

Sincerely
Elma Bryant

Ollie & Bruce & Joan & I are all pretty good. Joan especially is one busy woman. Her son-in-law has cancer. Her son Dick has had finger surgery, had had both hips worked on. He recently retired from Post Office sork.

Saturday-Jan 19, 1980
Effingham, Ill.

Dear Rula:

It was nice hearing from you again this Christmas and we hope you are better. These accidents are harder to get over when we are older-aren't they? Keep hanging in & hanging on-You'll make it! We lost Ollie-Jan 10. She was downtown in a store and collapsed. A nurse was in the store and tried to save her and they worked with her in the ambulance and also for about 30 minutes at the hospital but couldn't bring her back. She died around 3-3:30 P.M. & at 11:00 A.M. that morning -the husband of one of Bruce's brother Willie's daughter was buried. Both he and Ollie had heart attacks.

Leone, Bruce's youngest sister died Aug 31 & a nephew,(son of his sister(Edna Bryant) died earlier in Aug. In July-the husband of another of Willie's daughters had a very severe stroke, so you can see from July '79 until this date of Jan, 1980 we seem to be having more than our share of grief.

Bruce is the only child left now of John & May(Cook) Bryant. He will be 82, July 5. I have been reading some microfilm census at our library and ran across the following;on the 1900 Federal census of Saluda Township, Independence county, Arkansas.

Hollenb---K(I think this was Hollenbeck but film was not plain & wonder if ther ia way to check farther)

George-head of household-Age 71-Birth October 1828
Married 21 years. Born in Penn. Father born in Vt.Mother vorn in R.I
Owner of farm of 211 acres, free of mortgage.
Wife Helen-Born April 1851 -age 49. Married 21years.Born in Indiana-Father born in Tenn. Mother born in Ohio. 6 children-5 living
Son Ivor D. born August 1879-age 20 Born in Indiana Father born in Penn. Mother born in Indiana. Occupation-farm laborer
Daughter-Irus-born May 1886-age 14-Born in Missouri. Father born in Pa. Mother born in Indiana

Census made Jun 16-1900.

Could this be your grandmother-Helen Cook Barbee? so much of the info.-on dates & places fit -what we know of her. Ivor was listed as a son- but perhaps due to circumstances of their marriage they were "saving face" so to speak. Also if she had 2 children after marrying Hollenbeck, one died.

Sure wish we knew what county in Mo. this Irus was born or what Co. they went to & if Tom Cook left a farm in Mo. & never went back-wouln't it be logical for Helen to head back to that county when she left Ill. She was old enough to remember it . Hope this helps out. Give me your opinion on the info. Maybe you can get a better copy of the census-or perhaps a newspaper copy of Helen's death(obituary if you are lucky)

Sincerely
Elma Bryant

Too old.

Thomas Cook, widower, age 71, married Mary Moore, widow, age 58, on Nov. 22, 1850.

Samuel M. Cook married Adeline D. Thompson Mar 13, 1842 by Otho Pearre

Moses Cook married Mary Ann Thompson Feb. 2, 1837 by George Gatch, M. G.

I found this in a magazine "Crossroads of Ohio": Under Marriages of Ohio Folks in Washington Co., Pa.: Jane Wilson Philips to Junius Beebe of New Orleans, in 1836.

In 1824 Thomas Cook, of Stonelick Twp. was paid $9. as an appraiser.

Joseph Beebe was a land owner in 1826 in Williamsburg Twp. Survey no. 8289 between Clover and Concord, O. On my atlas I see that heirs of J. Compton were near this land. Also A. Thompson and T. Thompson owned land there in 1870. The atlas was printed in 1870.

Wm. Trout was a trustee of Concord M. E. Church, in 1880.

Joseph Trout lived at Bethel before 1800. Clermont Co. John Trout was on the first grand jury in Clermont Co. in 1801. Josiah and Samuel Beebe were in Tate Twp. as land owners in 1826.

Samuel M. Cook was a deacon at the Christian Church in Bethel in 1852. M. G. Thompson was an elder there.

In 1826 Thomas Cook was listed as being on Survey no. 3825 in Stonelick Twp.

Annie Cook was buried in Stonelick Cemetery in 1823.

Morris Trout married Elizabeth Leeds July 5, 1838 by Thos. Sheldon.

Wm. Trout gives son, Andrew, premission to marry Dec. 23, 1841. I didn't find this marriage though. And Mar. 4, 1852 E. Cook gives permission for Thomas to marry. And I could not find this marriage. Just the consent. But your Thomas was married already then. For Helen was born in 1851.

John Trout sold land to Morris Trout on east fork of Little Miami River in 1816. Deed Book 013, page 113.
Marriages:
William Trout to Elenor Hurst Mar 12, 1818
Mary Trout to Isaac Matus Aug 18, 1816
Margaret Trout to George Smith Apr 9, 1818 by Daniel Kain.

Thomas and Nancy Cook are buying ground on Survey 992 in 1808. Deed Book F5, page 249.

John Trout, grantee, in 1803 on East Fork. Harvies Survey no. 3343. Deed Book C2, page 182.

James Cook was a private in Capt. Oliver C. Gatch Co. (G) 89th Rev. of Ohio Inf. Volunteers enrolled Aug. 13, 1862 to serve 3 yrs. He stayed in until 1885. He was born in Clermont Co. Discharged near Washington, D. C.

There was a Morris Trout in Sterling Twp., Brown Co., O. I don't have the date on this. in 1863 Jonathan A. Bebee is listed as a minor in Brown Co. Mary Bebee et al under duardians in Brown Co. I happened to be up there and glanced through names but saw only these names. Saw no Beebes or Trouts in Warren Co., Ohio history. And there was an index too. Clark & Timothy Beebe are listed in Luzerne Co., Pa. 1790 census.

So that is the best that I could do and I really put plenty of time on it. Guess you will have to search elsewhere. Oh, yes, here's something else from "Crossroads". Samuel Cook b Clermont Co., O., 1825, son of James, b 1798 and wife, Susanna Moyer, b Pa., 1803. To Illinois in 1834.

INFORMATION GIVEN TO ME BY AUNT JO PETERS, EFFINGHAM, ILL.

Helen Cook Barbee, deserted her three children-Arkie-William and Oscar-in Vigo County (1882) went to her father Thomas Cook near Effingham, Illinois, taking one child, Ivor, four years old, with her. She secured a divorce and in September 1883 they were married at Effingham, Illinois. They persuaded her brother, Marcus McClelland Cook to leave with them, They went to New Mexico. Because they had taken this younger son from his father the sister Joan, told her she never wanted to hear from her again.

The Cooks and Beebes came she said from England. She remembered an oak chest bound with steel, known as the Beebe Chest. This contained records of the Beebe family and letters from England. My grandmother took this with her to New Mexico.

Charlotte Beebe had two brothers, Marcus and one known as "Doc". The Beebes were an Indiana family, she thought northern Indiana.

Hardings came through Harrison and Bracken counties Kentucky, supposed to have come from Virginia but maybe from North Carolina. The family intermarried with the Cooks and branches of both families came to Franklin and Decatur counties, Indiana.

In Decatur County Court records, Index of Wills- Decedent Levi L. Cook. (Administrator not given.) date of discharge by the court Jan. 4, 1859.

Thos Cook, a Revolutionary soldier, who came to Orange or Bartholomew County, Indiana in early 1820's from North Carolina. He came from Great Catentea Quaker Settlement in North Carolina, married Elizabeth Parker, not a Quaker and is reprimanded by the church. He is thought to have died while a member of the Lick Creek Quaker Church of Orange County, Indiana.

INFORMATION GIVEN TO ME BY AUNT JO PETERS, EFFINGHAM, ILL.

Helen Cook Barbee, deserted her three children-Arkie-William and Oscar-in Vigo County(1882) went to her father Thomas Cook near Effingham, Illinois, taking one child, Ivor, four years old, with her. She secured a divorce and waited for George Hollenbeck to secure his divorce and in September 1883 they were married at Effingham, Illinois. They persuaded her brother, Marcus McClland Cook to leave with them. They went to New Mexico. Because they had taken this younger son from his father the sister Joan, told her she never wanted to hear from her again.

The Cooks and Bebees came she said from England. She remembered an oak chest bound with steel, known as the Bebee Chest. This contained records of the Bebee family and letters from England. My grandmother took this with her to New Mexico.

Charlotte Bebee had two brothers, Marcus and one known as "Doc". The Bebees were an Indiana family, she thought northern Indiana.

Osawatomie, Kansas

Dear Miss Barbee:

Your letter to Dad Cook came to us and I have been very slow about answering it. Dad Cook passed away a year ago last October and Aunt Anna should have known as Hazel has written to her.

I am sorry that we can't supply you with the information you ask about. Dad Cook probably could have told you a lot as he loved to tell the stories of his childhood.

I am the wife of your cousin Floyd. Dad Cook's other children that live here in Osawatomie are Hazel Kendall, Ollie Poyner and Carl and Clarence Cook. All are married. Dad had four other sons by a former marriage.

Don't you have another Aunt living in Ill. close to Mattoon? Maybe she could answer your questions.

Sincerely yours,

Dove Cook.

Mason, Illinois

Received your letter some days ago have had company and canning peaches, haven't had time to rite. I will try to give you all the information I have now. Maybe I can get more. I will rite to Myrtle Cook my half sister and see what she knows.

My dear girl:

It is with regret that I can't give you any more help than I have. I was quite small when Helen was married. I heard the folks talk about her coming home when Will was a baby. My mother died when I was 2 years old. They tell me I was born in 1868 in Cumberland County. They might have lived there when she married your grandfather, if so write Toledo, Illinois for information. If I can help any more let me know. We dont know what became of our family records. They were not in the family bible. My stepmother didn't seem to know. She told me I could have the bible but I didn't want it. She thought maybe sister Olive had got them. Brother Henry wrote me before he died to know about them. Olive married a man in Mattoon by the name of Cap Cox. I think he is dead. Elva or Etta might know something about that.

Love,

Aunt May

Hardings came through Harrison and Bracken counties, Kentucky, supposed to have come from Virginia but maybe from North Carolina. The family intermarried with the Cooks and branches of both families came to Franklin and Decatur counties, Indiana.

In Decatur County Court records, Index of Wills- Decedent Levi L. Cook.(Administrator not given) date of discharge by the court Jan. 4, 1859.

****

JOHN MCNICHOL, manufacturer of boots and shoes, Pontiac; was born in County Tyrone, in the north of Ireland, in 1833; he came to the United States in 1851, being then nearly 18 years of age; after spendingabout two months in Philadelphia, he came west to Adrian, Mich., where he learned his trade, and afterwards went to Indiana; in 1856, he came to Livingston Co. and worked in the shoe shop of his brother, James McNichol, until 1862; he afterward entered the employ of W. B. Lyon, till 1874, since which time he has been doing business for himself. He was married Nov. 15, 1858 to Mrs. Rachel Meyers, of Pontiac; her maiden name was Rachel Cook; she was born in Clinton, Ind., Sept. 30, 1838; they have four children living--James H., John B., Charles and Maud.

Rachel only 20 when married second time. What happened to 1st husband?

If Rachel was born in Clinton, Ind - 1838, then her parents - Henry Thompson Cook & wife were there in 1838. Her brother Thomas Cook was born in Claiborne Co., Tenn. 1819(?). Where was this Cook family between & 1838? How Thos Cook's parents here at the time of the Civil War. If so this would account for his not wanting to fight in the

Dear Miss Barbee:-

Your letter to Dad Cook came to us and I have been very slow about answering it. Dad Cook passed away a year ago last October and Aunt Anna should have known as Hazel has written to her.

I am sorry that we can't supply you with the information you ask about. Dad Cook probably could have told you a lot as he loved to tell the stories of his child hood.

I am the wife of your cousin Floyd. Dad Cook's other children that live here in Osawatomie are Hazel Kendall, Ollie Poyner and Carl & Clarence Cook. All are married. Dad had four other sons by a former marriage.

Don't you have another Aunt living in Ill. close to Mattoon? Maybe she could answer your questions.

Sincerely yours. Dora Cook

Dear Cousin:

We wish to thank you for the beautiful spray of flowers which you sent.

Mother spoke of your visit, several times and hoped that we could meet some time - She said - "Joan, I think that you would be interested in becoming a D.A.R." and I might - at least, I would love to have some idea of my mother's background thru the family tree.

We have no dates at all - which I discovered when I went to filling out Mother's memory book which called for birth and death dates of Thomas and Charlotte Cook.

Perhaps when you have time you could send me some dates and what you know of our grandparents life -

Mother would have been 89 on July 18th. Her mind was clear all thru her illness - Write and thank you - Joan

Toledo has no chapter.

Perhaps Miss Lottie Lafferty of Martinsville can help you. She is a genealogist and has done some good work. She is quite old, however, and can't do as much as she used to.

She is the one who succeeded in "running down" the old Barber Bible.

I have not yet gotten Elizabeth to try out the data, altho I believe it will go through. We have intended to drive up there and get certified copies of the material but haven't done so yet. I hope she doesn't put it off too long.

Saw your mother's picture in F. N. paper - intended to drop you a note - but didn't get it off. Still a busy person -

Sincerely, Harriet P Cox

Dear Miss Barbee -

In the Hartford Times July 17, 1934 - your query B 6732 (2) interested me as I have an Elliott line from North Carolina to New Castle, Ind. My line is as follows.

Abraham Elliott 1780 - 1848 m Jean Alexander 1782 - 1833.
Judge Jehu T. " 1813 - 1876 m 1833 Hannah S Branson
E. Josephine " 1838 - 1912 m 1859 John Shortridge

I have never been able to find the ancestry of either Abraham Elliott or his wife Jane or Jean Alexander. They were both born in Randolph Co. N. C. married there and their two oldest children born there. I have the names of 2 brothers and a sister of Abraham Elliott - Samuel 1783 Elizabeth 1786 and a step brother Hiram? Hiram Elliott came to Indiana with brother Samuel but soon returned to North Carolina & died there - I have always heard he went up to 1830 or 40 in N. C. I can give the marriages etc of Samuel &

Elizabeth (married William Bundy in N.C and moved to New Castle Indiana) with her brother Abraham Elliott.

When I saw your address I wondered if your "Mary Jane Elliott" was of the Abr Elliott line. If so perhaps you can give me the ancestry of Abraham Elliott & Jean (Alexander) Elliott. I have complete data of Abraham down to myself. If I can help you I will be happy to send further data.

Sincerely

Dear Miss Barbee:

I do not have data on your searches, or I would be happy to contribute answers that you seek, thro' Hartford Times, (July 17 -- B-6732)

I have N.J. searches, thro' Noe; and thro' (McCulley-) Ruckman. Mary Tharp Tapp(e) (a) n, born 1778 in N.J. (Woodbridge possibly?) was marr. Sept. 15, 1799, to Robert Noe, of there; his parents may have been Daniel (4?) Noe, and the latter's 2nd ?, wife, Suzanne DePree; [believed marr. about 1770-to-72??] Marsh was (already) a given name in that Noe group. Austin, Clark, Smith, Hampton, Lackey were other Noe given names. My branch left N.J. 1822 for Ohio, (present Morrow Co) Some Noes were in or nr. Morristown, e. Tenn., others in Fayette Co., Ky., might have had (lost) Randel Noe surmised by some to have been originally of N.J. (to Md. or Va?)

Beebe was a New Eng. (& upstate N.Y.) name. Once lived at Greene, Chenango Co., N.Y. (at least one branch did) Myc Dr. Wm. Beebe, (of Amer. Museum of Natural History) is the husband of the novelist calling herself Elsworth Thane, (her name may have been Ricker? from Iowa??). [He is Ph.D., + sensitively wistful to always be called "Doctor"; I understand; he is elderly, I think, his wife considerably younger; I think he was aging before married.] Maybe he would write to you, if you write an appealing letter, (admiring of their distinguished reputations?)

Elliott in Iowa is connected with my Johnson kin

King (Thomas, Sr. and Jr.) had a Spanish strain? in a line 19th cent., "Md. to s.w. Ind.," prob. in Peterburg, Pike Co., Ind., late 19th cent., (connecting with Butler q..) My nephew's wife seeks this data, also Wyatt and Conrad of that county; she was Pearl Greta Conrad, from Peterburg, m(1) to — Troye, (2) to Roy P. Johnson (of our Stevens-Johnson branch) ~~Who~~ optician?) in Dixon, Ill., is Dr. McNickle. It is not far from Polo. [I am from Oregon, Ill., also near there.]

Her Mills cousins near Ames, Ia., the Misses Sadie Marie, Mrs Harvey (or N.J.?.) "Mills or Miles" was associated with Weed (a Conn. name) also with (Allen-) Ruckman, I've been told. This is about 12 miles from our Bailey family.

Walling might? I have clues on Bailey (or on English, allied)

I have contributed queries, for many yrs. to Hartford Times, signed "M N J B": [Lately, they have changed my signature to "B. B."; in a few instances.]

Cumberland Co.[so.] N. J., is near searches of my late husband's sister-in-law; some there included Burtt[ed] Smith, maybe Robbins; Richman of Pittsgrove twsp., Salem Co. N. J., and allied names (Swanson-) Matson; (Sauvtelle-) Elwell, (Dare-) Mulford; Howell of Fairfield, Cumberland Co., + its connections Sayler(re), and Diament, & Shaw, (Abiel, 3d husband of Abigail Parrel Bowden[Buck], desc. of Preston.) She also had Pa. Irish names (O'Hogan-) O'Conway, (Frassey-) Archer.

My Johns(t)on line (Scotch or Scotch-Irish?) went to Va. by 1783 from Md., and are mentioned in Oren F. Morton's Hist. of Highland Co., Va. (1911), a book which mentions several early Cunninghams: (John, James, Wm., Agnes —— and Robert who may? have been parents of Catharine who m. 1799 Aquila Roby, widower of Margaret Meeker. My "g-g aunt" (b. 1767? Md.??) Rebecca Johnson marr. Patrick [M.] Roby, a bro. of Aquila. [Crigler and Ward also had Cunningham marriages.] Daniel(d)son may have had a marr. to Almeria Roby, [perhaps dau. of Patrick & Rebecca (J.) R- ??] Patrick is believed to have served in the Revolution in or from Loudon Co., Va. [Many Robeys are of so. Md.]

I knew a Miss Elizabeth Cunningham in D.C. in 1918, — but nothing about her family, (of Ny. C.?); (tho I met her elderly mother, then.)

There used to be a Barbee millinery shop in Ny. C.

Clues on the Petersburg, Ind., or Pike Co. historians' addresses, would be helpful for Mrs. Roy Johnson, in case you know any, without research. Roes and Fletcher were Conrad given names. I don't know why.

Sincerely yours

Mildred Noe Johnson Bryan

Dear Miss Barbee:

I have nothing in my file on the Beebe family. I am sending a few references to your names, all taken from the History of Clermont Co., Ohio, which is probably the same source from which your other notes were taken. I know that the property holders names are listed in the history. One mistake though, the name Joshua in Tate Twp. is Josiah, not Joshua.

I wonder whether John Trout of the 1801 Grand Jury could be Charlotte's grandfather. We at least know that the Trout and Beebe families were in Clermont Co. in the early days of 1800.

If you wish, I can get whatever records that are available on the Beebe family in Cermont Co. for you for $5.00 if you are willing to wait a week or two, when I shall be going on other business. I charge $15.00 for a special trip, so unless a person is in a hurry for the information, I can look records up just as well by combining several names.

You let me know what you want me to do. It does look promising, with the Trouts and Beebes both there. There may be a will or deed or settlement or some other record to prove the parentage of Charlotte. I do not like to encourage a person too much though, in case some of the records are missing.

Sincerely,

Dear Miss Barbee: Through my son-in-law R.B. Thornberger I learned your interest in Cooke genealogy. My fathers sister married a James H. Cooke, son of Rev. Henry Cooke an Englishman who came to America about 1850, a young married man, whose childrens births traced his ministry thru N.Y., Pa. and Ohio. None of the three mentioned by R.B. are in this line altho the family once lived in Cincinnati. My cousin living near me in Southern Ohio gave me some addresses that I enclose. She says Rev. Clarke Oursler and his sister Dr. Anna Oursler live near each other in Stillwater but she does not have Dr. Annas add. but her brother would give or send her any inquireis he could not answer. She like your self in a State College. The Miss Eaton is the Cooke family historian. Her family has only been in America 2generations. She says Cooke am churchill names are linked.

Dear Miss Barbee;

You poor child you do have a problem, so lets try and see if we can just get a toehold.

Just to see what you could be up against; Lets pretend that Henry Thompson Cook came to Tenn in 1778 and settled ~~in~~ in Washington, County. moved to Sullivan County in 1779, moved to Hawkins County in 1786, to Grainger County in 1796 and finaly to Claiborne County in 1801, How far would he have traveled..not one inch.

First of all lets examine the recordsof Tenn that w were microfilmed by the Genealogical Society of Utah, they are to quote Mr Dan M. Robinson who in 1942 exclaimed (with apropriate gestures)""**********You will probabaly find there the most complete Tennessee records available in any one place****" (unquote).

Second get out your sissors and start clipping obits and 50th weddings from your local fish wrappers (obits of citizens over 50 years preffered).

Third fill out to the best of your ability the enclosed yellow sheet.

Fourth send Obits 50th brannigans and the yellow sheet together with a nice letter giving basic information as you sent me, a sae plus abfew loose stamps if you can spare them to

Dear Miss Barbee:

I understand that You are trying to trace your family Tree.

My cousin Mrs. Elsie Rayburn's son-in-law who worked for Bordens was in conversation with you last spring. You gave him some names to. The first ones were Ewing-Buchanan & McCullough. My mother's maiden name was Ewing. My mother and Mrs. Rayburn's father were brother and sister. My grandfathers name was Abner Ewing. And he was related to Senator Tom Ewing and a distant relative of General Tom Ewing.. The other names were Henry Thompson Cooke whose children are Charlotte, Dorcus & Zoe.

Now I don't know anything about this family, but my maiden name was Cooke spelt with an e and my father always said that any Cooke spelt with an e was related. My Father's name was James Henry Cooke and I had a brother Henry.

A cousin of mine Minnie Eaton said her grandfather's name was John Cooke and a brother of my grandfather Henry Cooke. She also told me that we were related to Winston Churchill through the Cookes.

This is a starter and if you wish to go into the relationship any farther, you can write to me.

Dear Miss Barbee:

Thank you for your letter of February 22nd regarding HOBBS family. I am not a descendant of any HOBBS but hoped by mentioning that family I could learn the parents of Col. William WEATHERFORD who, on July 4, 1816,married NANCY HOBBS in Bedford County, Tennessee. NANCY HOBBS was born either 1800 or 1801. They moved from Tennessee to Illinois and WEATHERFORD served with much honor in the Mexican War, and appears in many Illinois records. He and NANCY moved to Texas;and he died of "chronic diarrhea" a disease contracted in Mexico while in the line of duty in the army. In 1867 NANCY HOBBS WEATHERFORD was still alive living in Dallas County, Texas, and applied for a pension as the widow of Col. Wm. WEATHERFORD. He died July 4, 1849 in Dallas County, Texas.

In this same pension file it shows that on July 12, 1859 NANCY WEATHERFORD was 59 and a resident of Dallas County, Texas.

Wish I could give you more information, but that is all I was able to glean from the pension papers, with the exception of more of his war service, and as I mentioned before, Illinois records show considerable about him but nothing about any HOBBS.

If you know the parents of my WEATHERFORD I would appreciate your letting me know. Good luck to you in your search!

Yours sincerely,

Hello Rula= first

This is my letter written in '72. I would have answered your letter sooner - but tho't you were coming over during the holidays. Bruce & Elma Bryant were here yesterday P.M. - and Elma said, I believe, she is waiting for you to write -

They are anxious to meet you and if you can come - We'll have a get-together.

Ted had hardening of the arteries - and bad circulation from a coronary in '69.

We had on Nov. 3 - an emergency operation for hernia and on Nov. 16 - a prostate operation - followed by infection - a blood clot in his lung - also pneumonia and passed away Nov. 21 - Due to several things - the funeral was - Nov. 23.

We had lived the past

two years - in a small house next door to our son, Dick & family - Dick - a city mail carrier has been ill & almost crippled since May - with rheumatoid arthritis - He is now - for 3 wks able to work inside of P.O -

So, you see, I have had many worries - but I stay alone and keep busy and am thankful for so many things I have -

Dear Ruth:
Just a few lines to tell you again how pleased we were to see you and your friend. I wish you could have stayed longer - then we could have talked about our Cooks More. After you left it dawned on me we really did not talk much genealogy at all, but I was in a slight fog - due to the news of the death of my Nephew that morning. He was 48 and when a preschooler used to stay at our home when his mother was having a new baby. He leaves 5 children and the 2 youngest are girls age 4 & 10.
You must come back again and stay longer. I still want to know what became

& the young brother "Mack" who went with your Grandma Helen and also News on the family & the Brother Thomas Jr - & Where in Missouri that "Farm" that Thomas Cook had when Thomas Jr Was born - and Never went back to, Was located. Joan said Thomas Jr. lived in Texas - but She never found out where and Texas is one Big State! to look in for a person.

I take a genealogy magazine devoted entirely to people named COOK - but thus far I've never found anything in it about ours except what I have passed on to its editor in the hope & finding out something.

I also have a snapshot & the graves in Zion-Hill Cemetery - near Paradise, Md & Georgeanna Cook Hart - & Vance and the church - and I did get a newspaper copy & the obituary & Henry Cook - but I think - I sent you a copy & that - didn't I?

Must close - but please do come back & see us - and if JOAN is still "Speaking" to us Maybe we can get together with her & Ollie.

SINCERELY Edna Bryant.

Dear Rula:

It was so nice to hear from you again, and I do wish you could stay in your own home. I'm sure you wish so too - but when you can't you have to make other plans.

You will be very busy this year getting ready to go to the Church home and I don't envy you the job of getting your house in order, (so to to speak) I had to do it for my eldest brother who is 89 & is now in a nursing home at Altamont. At least if you can do the job yourself & it is all your

belongings No one can question you right to do as you so please with them.

This past year has not been the Nicest for us. but we are ending it with pretty good health and have quite a lot to be thankful for. We are expecting our First Great Grandchild in May of '76.

I haven't worked much this year on any family genealogy.

Did you ever find out where your Grandmother Helen actually went to when they left here & took her brother "Mack"? I would like to know - What became of Him - & also the details on that Missouri Farm - Myrtle Cook

said her father had, just before they came back to Ill.

Do you suppose we will ever find out? Take Good Care of Yourself & if you are passing through stop by awhile. Sincerely, Edna Bryant.

Happy new year!

Jan 5, 1979
Effingham, Ill

Dear Ruba:

Thank you for remembering us this Xmas.

I think about you often and wonder how you are getting along and if you are still doing Cook genealogy and if you have learned anything new about the family.

I seem to be behind in all of it. The past year I have tried working on my early McCoy & Magers (MAJORS, early sp.) ancestors — and I am finding — even way back in the 1700's there were an awful lot of McCoy's around — and most of them had 8 - 15 children + 2 sometimes 3 wives, — even the ones I know couldnt possibly be of my line.

I enjoy them all tho' — Especially the ones involved in the Hatfield - McCoy feud.

Are you still living in your own home? I thought you were going into a Methodist Home last year.

Hope your legs are as good as new soon & that you don't have anymore accidents.

Keep in touch! Sincerely
Edna Bryant

Ollie & Bruce & Joan Lot are all pretty good. Joan especially is one lucky woman. Her son-in-law has cancer surgery. Her son Dick has had hips worked on. He had both. He recently retired from Post Office work.

Saturday - Jan 19, 1980
Effingham, Ill.

Dear Ruth:
It was nice hearing from you again this Christmas and we hope you are better. These accidents are harder to get over when we are older - aren't they? Keep hanging in & hanging on - You'll make it!
We lost Ollie - Jan 10. She was downtown in a store and collapsed. A nurse was in the store and tried to save her and they worked with her in the ambulance and also for about 20 minutes at the hospital but couldn't bring her back. She died around 3. to 3:30 p. m & at 11 a m that morning - the husband & one of Bruce's brother Willie's daughter - was buried.
Both he & Ollie had heart attacks.
Leone, Bruce's youngest sister, died aug. 31 & a nephew, (son of his sister Edna Bryant) died earlier in aug.
In July - the husband & another of Willie's daughters had a very severe stroke, so you can see from July - '79 - until this date of Jan - 1980 we seem to be having more than our share of grief.
Bruce is the only Child left now of John & May (Cook) Bryant. He will be 82 - July 5.
I have been reading some microfilm census at our library and ran across the following

your OPINION on the info. Maybe you can get a better copy

On the 1900 Federal Census of Saluda Township - Independence County, Arkansas.

HOLLENB--K - (I think this was Hallenbeck but film was not plain & wonder if there is a way to check further)

George - head of household - age 71 - Birth October, 1828.

Married 21 years. Born in Penn. Father born in VT. Mother born in Rhode Island. Occupation, farmer. Owner of farm of 211 acres, free of mortgage.

Wife Helen - Born, April 1851 - age 49. Married 21 years. Born in Indiana - Father born in Tenn. Mother born in Ohio. 6 children - 5 children living

Son IVOR D. - born August 1879 - age 20 - Born in Indiana - Father born in Penn - Mother Born in Indiana

Occupation - farm laborer

Daughter IRUS - Born May 1886 - age 14 - Born in + Missouri - Father Born in Pa. Mother in Ind.

Census made - June 16 - 1900.

Could this be your Grandmother - Helen Cook Barber? So much of the info - on dates & places fit - what we know of her.

Ivor was listed as a SON - but perhaps due to circumstances of their marriage they were "saving face" so to speak. Also if she had 2 children after marrying Hallenbeck - one died.

Sure wish we knew what county in Mo. this Irus was born or what co. they went to - & if Tom Cook left a farm in Mo. & never went back - Wouldn't it be logical for Helen to head back to that county when she left Ill? She was old enough to remember it, find out, help. Hope [illegible] things

of the Census. Or perhaps a newspaper copy of Helen's death (Obituary if you are lucky) - Sincerely Elaine Bryant.

Dear Miss Barbee,

I have checked out all of the Cook references (13 listings) in the index of "Cemeteries of Claiborne Co., Tenn." but your names are not there. There are three cemeteries named Cook. The transcriptions of all of the cemeteries in Claiborne Co. are complete, and at the end of each, the compiler notes the number of unmarked graves and unreadable stones, of which there are many. Unfortunately, yours are probably among those early ones which are among those.

There are only two Hobbs listed, neither of which is early enough for you.

Sorry this doesn't help you. I purchased the book from the author, Paul Johnson, for $27.00, but since there is nothing for you in it, I doubt if you would still want a copy.

Very truly yours,

Dear Miss Barbee,

Sorry I'm just getting round to answering your letter but I have been quite busy and I answer my mail in order (or try to) and I'm just getting to yours.

You ask my charges for doing research. I have a fee of min. $15.00 for 3 hr. and thereafter $5.00 for any additional hrs. plus costs of copies & postage.

Now, I do research in small ways if its just something preliminary or just asking a question and I can answer it.

As for your great-great grandfather (Cook) do you know his full name? App. Birthdate? Anything you can tell me? Do you know where he died, was it in Claiborne Co. and what cemetery?

Now on your Austin line - I was an Austin before I married a Johnson. Whats your line? And what troubles are you having. Let me know all the above - send a copy of a chart if you have one would be most helpful. And I'll see what I can do.

Hope to hear from you. Again I want to apologize for being so long in answering.

Sincerily,

July 27, 1986

Dear Rula:
We been wondering how
you are doing these days.
Joan told me she had
heard from you not to long
ago. She & her son Dick
and niece, La Velle Langford
came over to help us celebrate
our 60th wedding anniversary
I don't suppose you are to
familiar with the names
in this write up - but thought
you might recognize a few.
None of Ollie's children were
here. Her oldest son - Gene is
in a nursing home here -
Jack - When we last heard,
is in Florida & Jerry is in
Chicago. Marjorie's daughter lives
somewhere near Granite City
& Benj (the boy) don't seem to
be around. Last we heard he
was in Texas. Ollie's other son, lives
Jim Claar, in Califs as does Edna: Bryant
Pingel's eldest daughter. (Gladys) Gladys
Youngest - Betty Lisk - Sue
Benham Kurilla (Leona's dau)
All three of Rollie Kids - + 2 of
Willie's were here. Bruce was
88 July 5 - & I became 77 July
18 - Funny thing, the older we get the
oftner we seem to have another
Birthday!

I still "fool around" With Genealogy - Haven't learned any thing new on Cooks or Bryants - but finally located where one of My Father's Sisters Died at & after about 5 Yrs of on again - off again Searching I learned she died in Colo. instead of Washington. Seems when she got ill. she went back to Colo (Pueblo) to her Husbands folks hoping the Climate would help her. She had 5 rather small Children then. I STILL would love to know WHERE IN MISSOURI (or Wherever) Thomas Cook - had the farm. He left just before the twins Joann & Anna were born. I know they were born in Cumberland Co. Ill. If you have anything new - or that you haven't already sent me on the

Cooks - I would
be glad to pay you
for the copying,
postage + what
ever you think
for your trouble
(digging the info
up - etc.)
Hope this finds
you doing well.
Joann is 92
now and looks
so nice. She always
has been - so straight
+ tall and neat.
She + Bruce are, I
think, all of their
family living now.
Keep in Touch
+ May the Good
Lord take a
liking to you!
Sincerely
Edna Bryant.

Dear Mrs. Johnson:

I am enclosing my check for fifteen dollars and my scant information on the Cook family. Let's see if you can locate this Cook family in three hours and then we will go from there. I have worked on various lines of my family for many years and quite successfully on some of them, but this one has been a dead end. There were so many orphans in the family, along with a lack of interest. Since this is my paternal line I am very interested, because I have no information on my father's side of the family. I've always been curious as to the relationship to the Mayflower Cook line. I suppose this is wishful thinking, but I can dream.

My great-great-great grandmother, Pricilla Bateman married an Austin and had a daughter (Sarah) who married Joseph Thomas Joslin ( ) in N.J. Sarah was born in Delaware. This is all I know about her. On Pricillas family I have three lines that qualify for Colonial Dames XVII Century as does the Joslin Line.

Sincerely,

Bula E. Barbee

over.

This family supposedly came to Illinois, through Missouri.

Dec 1- '86-

Dear Rula=

I am almost ashamed to write- I've owed you - a letter - so long- I see Bruce & Elma Bryant and they ask about you. How are you? I am fine for 92 1/2 yrs old. Last Weekend Tom Peters (my nephew) from Florida was here. We are working on all our family records. Did you ever get yours in order & have you given them to Vigo Co.? If so would they send a copy to me? I am getting so many calls & letters from different people about the different family records I can hardly keep up with them- Only a short time until Xmas- I hope this will be the last time - everyone expects me to buy gifts - & decorate as I always have. I now have 7- grand children

Married (except one) and 11 great grand children. This 1986 - I have made 1 trip to Ariz - (Kay's son & wife and in Sept. I went to Elgin To her other son & family.

2 wks - ago - Richard - Dick's youngest. (a son (he has 4 girls) was married -

Dick still plods a long but suffers pain - almost all the time - from Rheumatoid arthritis - he has had 7 different operations.

If you & when have time write to me -

Lots of Love -

Joan.

Dec 9.

Dear Rula:

Are you doing OK in your New home? Joan tells me she had a letter from you a while back. I see her at church most sundays - but don't always talk to her. She came to Bruce & D's 60th Wedding Anniversary celebration this past July 17.

©MCMXCIII

I had a letter three or 4 months ago from the Widow of Floyd COOK - one of Bruce's Uncle Henrys COOK's Sons. One of Henry's daughter Hazel (from his second wife) had sent me some information on Henry's Children & the second wife. earlier. Floy's Widow said Hazel - was now in a Nursing home. Floyd COOK was the one who comes to see Grandma Bryant in the Spring of 1947. and stopped by to visit us a few hours. We enjoyed his visit. He was then living in Kansas city - Ks.

Keep in Touch, Reba

And enjoy your Christmas & New year has Hope & "goodies" - for you a lot of too. Sincerely - Reba Bryant.

Dear Ms. Barbee:

The earliest Cook family was on a Marcurious Cook who was born in 1766 who Rachel Hill born 1776 is recorded in Claiborne County, Tennessee. They had several children. In order to see if your Thmas Cook was of this line I would either have to have your family group chart or further data on the above family. I do know that Marcurious Cook's family ended up in Union County, Tennessee. It could have been that he lived in Claiborne County, Tennessee all along but when Union was taken off of Claiborne he would have been in that part of Claiborne all along.

Since I do research for people, I would try my luck at unearthing something on your Thomas Cook since you were wanting to find someone to do research for you. I have several books on Claiborne County, Tennessee in my home that I will check them for you on your Cook line. Also, I will be more than glad to travel to the courthouse in Tazewell, Tennessee to check out anything there on them for you. If need be I can go on into Union County and check those records there for you.

$5.00 per hour is what I am been given lately. I do not have a set fee. I get all the way from $3.00 per hour to $8.00 plus mileages and copying fee. Some of my recent research have been by the job instead of the hour fee. I will leave that up to you, okay. I live 45 miles from Tazewell, Tennessee, that is one way.

In case you want me to do the research for you, please let me know by sending your reply to my home address, Route 1, Box 589, Jonesville, VA 24263. Phone # 1 703 346 1158, okay?

:Claiborne County Was Created From Hawkins And Grainger Counties In 1801:

Dear Ms. Parker:

I hope you can help me with my Cook family line. My grandmother was Helen Cook b. m. d.

~~She~~ Helen Cook divorced my grandfather Wm. Riley Barbee( ) She left her three children with the father, married again and left for the State of Arkansas. ~~She~~ I never knew my grandparents and of course am very curious to know about them. I have collected much material on the Cook family and do hope you can help me complete this line. You will note they inter-married with the Hobbs family. I'm interested in this family too - were they Quakers? Does this Cook line connect with the Mayflower Cooks?

I am enclosing my check for ten dollars. See if you can locate this family and then if I need to spend more to establish my family line - please let me know.

P. S. Anything that I collect, I'll be glad to send to the Claiborne Hist. Soc. for their Collection.

Dear Ms. Barbee:

I have checked all of the older records that I have in my home and I am afraid that I have not uncovered anything on your Henry Thomas Cook. I have checked the Early Tennessee Tax List for Eastern Tennessee and could not find any Henry Thompson Cook; The 1830 and 1840 Census of Claiborne County, Tennessee; The Cemetery Records of Claiborne Co., TN. P. G. Fulkerson's Early Settlers of Claiborne County, Tennessee; Early Deed Book and only unearthed one Cook that had purchased land between 1801-1837 in Claiborne County, Tennessee and he was Joab Cook who descends from VI: Marcuricus, b. 1766 who married Mary Polly Hill; Checked the early marriage for the 20 eastern counties and came up with nothing on a Henry T. Cook or your Thomas Cook; Checked the Free Male Inhabitants Twenty-one and Upward -1833 that lived in Claiborne County, Tennessee and found only Marcurious Cook, Sr. and Jr. and a William Cook. Two cemetery records from Grainger County, Tennessee.

I am enclosing a page that appeared in the second volume of the Heritage of Union County, Tennessee by Kathleen George Graves and Winnie Palmer McDonald. This information was found on page 132 on William Cook. It is child VI: Marcuricus b. 1766 that had descendants to remain in Claiborne County, Tennessee.

A couple of his children come in on allied lines of mine.

Child 8 of Marcus Cook, son of Marcarious Cook - Rachel Cook married William McVay and removed to Webster County, Missouri. William McVay was a great great uncle on my father's side of the house. His mother was a great niece of this William.

On the other hand a sister to Rachel, Mary Polly Cook was another line of mine.

I would think that perhaps that your Henry Thompson Cook might descend from this older William. Maybe thru number 7 or 8 of his.

You may write to Mrs. McDonald at Route 3, Maynardville, Tennessee 37807 and ask her if your Henry might descend from this older Williams. Her given name is Winnie Palmer McDonald.

I am sorry that I can not find anything on your Henry Thompson. Most likely he was just passing thru Claiborne County, Tennessee when his son, Thomas was borned and may went on into the State of Arkansas.

Thank you for the check. I appreciate you sending that. I will check further when I am down at the court house in Tazewell, Tennessee and see if I can find anything further on him, okay?

Sorry, I do not have any more to report to you on him. The East Tennessee Historical Society Library might have something on him. The address there is 500 West Church Avenue, Knoxville, TN 37902-2505.

Good luck in your search for your Henry Thompson Cook. Where did he married his wife at? and etc.?

Sincerely,

Mary E. Parkey

PS: Were all of Thomas Cook's brothers and sisters born in Claiborne County, Tennessee.

Most of the early Hobbs here in these parts descended from Vincent Hobbs, the Revolutionary War Soldier that is suppose to be buried here in Lee County, Virginia somewhere. I have checked the list of his children and I could not find a child named Ann. She might be a granddaughter, maybe?

I will keep your charts and maybe later I can unearth something on them. If I do, then I will forward them to you, okay?
